Gentlemen,

In reply to your favour of Oct. 27th I accept your proposition, to sell the South American coins with a discount of 15%, and I hope to sell a good deal of same, if prices are reasonable.

As your letter did not contain the order for Mr. Uex, you mention, I write today to this gentleman, and shall ask him, if he has received a direct communication from you.

In this case he will no doubt send the coins immediately, if however you have overlooked to give him your orders, please do so as soon as possible.

In regard to the swedish gold medals I
do not know how to send them abroad
without paying the duty. Perhaps an
opportunity will present itself later on.
Believe me, Gentlemen,

very truly yours
